MRTA is led by the Myanmar Responsible Tourism Institute. In 2018, the Awards are organised in collaboration with the Business Innovation Facility, with funding from UK aid and endorsed by the British Chamber of Commerce Myanmar.

## The idea behind MRTA

The Myanmar Responsible Tourism Awards (MRTA) aim to raise awareness of the huge potential that Myanmar's tourism industry has to generate meaningful social, economic, and environmental benefits.

Initiated by the Myanmar Responsible Tourism Institute (MRTI) in 2017, this will be the second year that we run the Awards. The Awards aim to identify the country's most forward-thinking and innovative tourism businesses, to showcase their success stories and share best practice across the industry.

## MRTA 2018 Awards Ceremony

The 2nd Myanmar Responsible Tourism Awards Ceremony will be held at the Chatrium Royal Lake Hotel on Tuesday 11th December 2018, 5:30 pm. The evening will finish off with a gala dinner, raffle with attractive prizes and a networking opportunity.
